07/2016 - 04/2019   Bhopal, India
Bsc Computer Science , first-division
▫ Project : Made a hotel website as a frontend
  using HTML and CSS

PERSONAL PROJECTS

Sports-K
▫ Sports-K is an e-commerce website that offers sports-based products like clothes and shoes.
▫ It allows you to buy clothes and shoes online with payment gateway integration.
▫ It's a solo project where I tried to complete all functionality that required.
▫ Tech stack : React, Redux, JavaScript, Chakra-UI

Banggood-Clone
▫ Here we tried to clone Banggood's Website which is a popular E-commerce Website based in China.
▫ Our website allows people to buy and sell physical goods, and services.
▫ developed along with a team of 5 members in one week.
▫ My task was to complete woman's products and the footer with a coupon page. Also, Contribute to different pages for making site data.
▫ Tech stack : Html, CSS, JavaScript

Bath and body works-Clone
▫ Bath & Body Works, LLC. is an American specialty retailer company founded in the year 1990.
▫ It is an American retail store chain that sells soaps, lotions, fragrances, and candles.
▫ developed along with a team of 6 members in 6 days.
▫ my task was to complete product pages and footer. For creating a data I use a contructor function.
▫ Tech stack : Html, CSS , JavaScript
